

Your guide to waste and recycling services at home.

Dear Resident,

As you may have heard, your waste services are undergoing some changes over the coming weeks.

We have included a **Recycling and Bulky Waste Clean-Up Service** leaflet to help you recycle right, and use your waste services with ease. You can find digital versions of a Waste and Recycling Service guide translated on our website.

Remember, starting from the week of 1-5 March bin days will change for most, but not all, households across the City. As a resident living in a villa, townhouse, apartment or unit, the changes may have a mixed impact on you. If your bins are put out for collection by Council or your building contractor, this will continue. If you put your bins out for collection please continue but check the **Bin Day Finder** to confirm your bin day [cb.city/BinDayFinder](https://www.cb.city/BinDayFinder). However, if you have green garden waste bins, it is likely your bin day will change and may be different from your red and yellow bin day.

What you can do

- Visit Council's website for details about your new bin day and the Bulky Waste Clean-Up service at [cb.city/wasteless](https://www.cb.city/wasteless) or call **9707 9000**;
- Talk to your building's body corporation or strata manager about booking clean-up days for your villa, townhouse, unit/apartments and other Council services for your building at [cb.city/waste-unit-blocks](https://www.cb.city/waste-unit-blocks); and
- Share updates with your friends, family and neighbours so they know changes are coming too.

Welcome to
the **wasteless**
generation.
